

**IOWA BALANCE OF STATE CONTINUUM OF CARE
CONFLICT OF INTEREST STATEMENT AND
CODE OF ETHICAL PRINCIPLES AND BEHAVIOR FOR
BOARD AND COMMITTEE MEMBERS**

The Iowa Balance of State Continuum of Care (IA BOS COC) Board of Directors and Committee Members aspire to:

- Perform duties with integrity, honesty, truthfulness, and adherence to the public trust.
- Act according to the highest ethical standards.
- Place the mission and vision of the Iowa Balance of State Continuum of Care as a priority.
- Improve knowledge and skills to better serve persons in need.
- Recognize cultural diversity as strength in our communities and to treat all people with respect, dignity and fully support safe participation in all activities.
- Exercise our best judgment, independently of our association with any other organization or personal concern.

Conflict of Interest Statement: A conflict of interest exists when:

1. Any Board member, committee member or any relative (by blood or marriage) or any business partner of the IA BOS COC has a private, economic or personal interest sufficient to influence or appear to influence the outcome of a decision made by the Board from which he/she may gain personally, professionally, or financially in the pursuits of his/her own special interest.
2. Any member of the Board or Committee member who is associated as a member of the Board, on a Committee, or has an employment or consulting relationship with an organization receiving money through the IA BOS COC.
3. Other Examples of a conflict of interest may include but are not limited to the following:
 - Self-dealing: This is defined as using your position to secure a contract for your business or board.
 - Influence peddling: This is defined as soliciting benefits in exchange for using your influence to unfairly advance the interest of a particular party.
 - Accepting cash or non-cash benefits: This is defined as bribery and non-token gifts from a supplier.
 - Using confidential information to further your personal interests or advancing the cause of another organization.

Determining a Conflict of Interest: It is the responsibility of each Board or Committee member to determine if a real or apparent conflict of interest exists and once determined declare the conflict that is influencing his/her decision-making ability and dismiss him or herself from the deciding vote.

Conflict of interest may be declared by one of two methods:

1. **Personal Financial Gain:** If it may appear that there is a conflict where the individual would have personal gain, they should abstain from both the discussion and the vote.
2. **Organizational Gain:** If it may appear that there is a conflict of interest because the individual serves on a Board, or on a committee of an organization, or has a family employment or consulting relationship with an organization whose funding places the organization in the position of compliance review by the IA BOS COC, but there is no personal financial gain, the individual should abstain from both the discussion and the vote.
 - If any Board member or Committee member believes that another Board member or Committee member has not declared a real or apparent conflict of interest, he/she may request that the other individual provide a clarification regarding the other individual's potential personal financial gain or association with any other organization.
 - If a Board of Director's vote has been taken and any board member believes that the undeclared real or apparent conflict of interest existed at the time of the discussion or vote, the board member may contact the chairperson or a member of the executive committee. The executive committee, at its next meeting, shall determine if a re-vote should be held at the next board meeting.

Violations of These Principles:

A Board member or Committee member or who is found to be in violations of the principles outlined in this policy shall be subject to corrective action up to and including removal from the Board or Committee. Corrective action for the same or different offenses shall progress in the following manner, subject to IA BOS COC's discretion:

1. *Verbal warning.* Verbal statement to board or committee member that he/she has violated this policy, or any policies/practices found in the IABOSCOC Governing documents, and Policies & Practices Manual and that such violation may not continue.
2. *Written reprimand.* Formal notification in writing to board or committee member that he/she has violated this policy.
3. *Suspension.* For IA BOS COC Board or Committee members this may mean suspension of voting rights for CoC business for a minimum of one board/committee meeting.
