Updated Affidavits Now Available - Notary Not Necessary

The Iowa Finance Authority is pleased to announce that the following affidavits have been updated and are now available for use: MRB 01, MRB 03, MCC 01 and MCC 03.

A Notary is no longer necessary when using these updated forms. When continuing to use the old forms a Notary will be required. Please note, the Notary requirement is **only** waived when using the **new** forms.

The preferred method for obtaining these updated affidavits is through the borrower record in Lender Online, as the forms saved there are pre-filled with information. Blank affidavit forms can also be found on our website on the [Homeownership Resources page](#) and the [MCC Resources page](#).

Please note: We expect new income limits to be out soon.

Please contact the [homeownership team](#) with questions.
