## **Qualia Launch Update**

---

---

We are writing to update you on the progress of the implementation of ITG's new title production platform, Qualia. Development and testing are still underway. Accordingly, we now aim for a target go-live date in early 2021.

We will determine and confirm an exact date at a later time once development and testing is complete. ITG will continue to provide updates as the project nears completion. Thank you for your patience as we build Iowa's new modern title experience.

Please contact the [Iowa Title Guaranty team](#) with questions.
