## **Iowa Title Guaranty Stakeholder Meetings Rescheduled**

---

---

---

Iowa Title Guaranty invites participants and real estate professionals to attend one of our upcoming stakeholder meetings to receive an introduction to the software platform that Iowa Title Guaranty will be implementing this fall. The experts from Qualia Labs, Inc. will provide a brief demonstration of the key platform features applicable to the audience attending each meeting.

We encourage physical attendance, as Qualia representatives will be flying in from Austin, Texas to meet with stakeholders in-person.

We understand the travel concerns and will provide a call-in option to accommodate our partners and participants in the field. However, those individuals joining remotely will have listening access only and will not be able to participate in the live discussion.

Please register for a session below. We kindly request that each individual only register for one session, as capacity is limited.
