## COVID-19: Recorder and Courthouse Closure Update

---

---

Iowa Title Guaranty continues to monitor the COVID-19 virus and its impact on our participants, industry partners and staff. ITG is committed to providing timely updates as this rapidly evolving pandemic unfolds.

Governor Reynolds recently sent a letter to county officials strongly encouraging them to maintain minimal operations throughout the unprecedented COVID-19 pandemic to avoid a devastating impact on Iowa's real estate industry and larger economy.

*"It is critical to Iowa's economy that county auditors, recorders, treasurers, and courthouses remain accessible and maintain minimal operations throughout the unprecedented COVID-19 pandemic. Given the central role county officials play in our real estate industry and larger economy, a discontinuation of these services could have a devastating impact on Iowa."*
