

Before Starting the Project Listings for the CoC Priority Listing

The FY 2018 CoC Consolidated Application requires TWO submissions. Both this Project Priority Listing AND the CoC Application MUST be submitted prior to the CoC Program Competition deadline as required by the FY 2018 CoC Program Competition NOFA.

The FY 2018 CoC Priority Listing includes the following:

- Reallocation forms – must be fully completed if the CoC is reallocating eligible renewal projects to create new projects as described in the FY 2018 CoC Program Competition NOFA.
- New Project Listing – lists all new project applications created through reallocation, the bonus, and DV Bonus that have been approved and ranked or rejected by the CoC.
- Renewal Project Listing – lists all eligible renewal project applications that have been approved and ranked or rejected by the CoC.
- UFA Costs Project Listing – applicable and only visible for Collaborative Applicants that were designated as a Unified Funding Agency (UFA) during the FY 2018 CoC Program Registration process. Only 1 UFA Costs project application is permitted and can only be submitted by the Collaborative Applicant.
- CoC Planning Project Listing – Only 1 CoC planning project is permitted per CoC and can only be submitted by the Collaborative Applicant.
- HUD-2991, Certification of Consistency with the Consolidated Plan – Collaborative Applicants must attach an accurately completed, signed, and dated HUD-2991.

Things to Remember:

- All new and renewal projects must be approved and ranked or rejected on the Project Listings.
- Collaborative Applicants are responsible for ensuring all project applications are accurately appearing on the Project Listings and there are no project applications missing from one or more Project Listings.
- If a project application(s) is rejected by the CoC, the Collaborative Applicant must notify the affected project applicant(s) no later than 15 days before the CoC Program Competition application deadline outside of e-snaps and include the reason for rejection.
- For each project application rejected by the CoC the Collaborative Applicant must select the reason for the rejection from the dropdown provided.
- If the Collaborative Applicant needs to amend a project application for any reason after ranking has been completed, the ranking of other projects will not be affected; however, the Collaborative Applicant MUST ensure the amended project is returned to the applicable Project Listing AND re-rank the project application BEFORE submitting the CoC Priority Listing to HUD in e-snaps.

2-1. 2-1. Is the CoC reallocating funds from one or more eligible renewal grant(s) that will expire in calendar year 2019 into one or more new projects? Yes

3. Reallocation - Grant(s) Eliminated

CoCs that are reallocating eligible renewal project funds to create a new project application – as detailed in the FY 2018 CoC Program Competition NOFA – may do so by eliminating one or more expiring eligible renewal projects. CoCs that are eliminating eligible renewal projects entirely must identify those projects on this form.

Amount Available for New Project: (Sum of All Eliminated Projects)				
\$532,205				
Eliminated Project Name	Grant Number Eliminated	Component Type	Annual Renewal Amount	Type of Reallocation
Iowa Balance of S...	IA0099L7D011701	SSO	\$400,000	Regular
New Hope Transiti...	IA0019L7D011710	PH	\$132,205	Regular

3. Reallocation - Grant(s) Eliminated Details

Instructions:

For guidance on completing this form, please reference the FY 2018 CoC Priority Listing Detailed Instructions. Submit technical question to the e-snaps HUD Exchange Ask A Question (AAQ) at <https://www.hudexchange.info/get-assistance/>.

*** 3-1. Complete each of the fields below for each eligible renewal grant that is being eliminated during the FY 2017 reallocation process. Collaborative Applicants should refer to the final HUD-approved FY 2017 Grant Inventory Worksheet to ensure all information entered on this form is accurate.**

Eliminated Project Name: Iowa Balance of State Coordinated Entry Project

Grant Number of Eliminated Project: IA0099L7D011701

Eliminated Project Component Type: SSO

Eliminated Project Annual Renewal Amount: \$400,000

3-2. Describe how the CoC determined that this project should be eliminated and include the date the project applicant was notified. (limit 750 characters)

The CoC required all renewal projects to submit applications for internal review and scoring, including this SSO-CE project. Projects were scored by the CoC Committee on 7/9/18. After an appeal, final CE project scoring was approved by the Appeals Committee on 7/17/18, and the applicant was notified the same day. After appeal, this CE project scored 62 points, which was 14 points below the lowest-scoring housing renewal project. Following this, the application process was reopened to allow the same agency and/or other agencies to compete for CE funding. Subsequently, this agency declined to continue, and the result is a voluntary reallocation. Three smaller CE projects then scored higher and are included in the ranking.

3. Reallocation - Grant(s) Eliminated Details

Instructions:

For guidance on completing this form, please reference the FY 2018 CoC Priority Listing Detailed Instructions. Submit technical question to the e-snaps HUD Exchange Ask A Question (AAQ) at <https://www.hudexchange.info/get-assistance/>.

*** 3-1. Complete each of the fields below for each eligible renewal grant that is being eliminated during the FY 2017 reallocation process. Collaborative Applicants should refer to the final HUD-approved FY 2017 Grant Inventory Worksheet to ensure all information entered on this form is accurate.**

Eliminated Project Component Type: PH

Eliminated Project Annual Renewal Amount: \$132,205

3-2. Describe how the CoC determined that this project should be eliminated and include the date the project applicant was notified. (limit 750 characters)

The 2018 CoC Application, Ranking, and Reallocation Plan was approved on 7/20/18. It included the possibility of voluntary reallocation to allow renewal project applicants the option to create new projects that better meet community needs and CoC priorities. This applicant pursued a modified version of this option, declining to submit a renewal TH application and instead submitting a new project application for RRH. The CoC approved final project rankings at a public meeting of the Executive Committee on 8/29/18 and this applicant was provided notification the same day that their new reallocated RRH project was accepted and would be included in the final rankings.

4. Reallocation - Grant(s) Reduced

CoCs that are reallocating eligible renewal project funds to create a new project application – as detailed in the FY 2018 CoC Program Competition NOFA – may do so by reducing one or more expiring eligible renewal projects. CoCs that are reducing eligible renewal projects entirely must identify those projects on this form.

(This amount will auto-calculate by selecting "Save" button)

4-2. Describe how the CoC determined that this project should be reduced and include the date the project applicant was notified of the reduction. (limit 750 characters)

In addition to scoring renewal projects based on performance, housing-first approach, project type, CoC participation, and more, the CoC also reviewed project spending in the most recently-completed year. Five total renewal projects reported unspent funds, with three of the projects having unspent funds due to being new and/or receiving their HUD contract very late. Two remaining projects had small amounts of unspent funds, including this one. The Executive Committee of the CoC approved a final 2018 CoC Application, Ranking, and Reallocation Plan on 7/20/18, which included reductions in funds for these projects according to the amounts unspent; applicants were notified that same day.

If there is a negative balance remaining, this means that more funds are being requested for the new reallocated project(s) than have been reduced or eliminated from other eligible renewal projects.
